SUBJECT: Maxey/Woodland Center Correctional Facility

SUPERSEDES DOM 2009-15 (effective 04/17/09)

On April 6, 2009, the Department began transferring male prisoners to the Maxey/Woodland Center Correctional Facility (WCC). WCC houses male prisoners in need of chronic inpatient psychiatric care (rehabilitation treatment status) or acute inpatient psychiatric care, or in need of placement in the Crisis Stabilization Program; male prisoners on rehabilitation treatment status also may be housed at the Macomb Correctional Facility (MRF). Women's Huron Valley Correctional Facility (WHV) will continue to provide inpatient psychiatric care to female prisoners.

All inpatient psychiatric care provided to prisoners at WCC, MRF, and WHV is provided under the direction of the Department of Community Health (DCH). Department and DCH policies and procedures that applied to the former Huron Valley Center apply to the inpatient psychiatric units at WCC, MRF, and WHV, except where specifically noted in Department policy or as otherwise directed by the Deputy Director of Correctional Facilities Administration.
